Are you ready for *Financial Freedom?*

THERE WAS A MAN WHO HAULED BUCKETS OF WATER FOR A LIVING.

Every day, he hauled water from the nearest source to his village miles away. If he wanted to make more money, he would simply work longer hauling buckets.

AFTER MANY YEARS, HE GREW WEARY OF HAULING BUCKETS.

Then inspiration came. If he used his spare time to build a pipeline, eventually he could be free from hauling buckets. So he labored diligently for a few years to build his pipeline.

THE DAY HE TURNED ON THE SPIGOT, EVERYTHING CHANGED.

He successfully created an unlimited supply of water and improved lifestyle for the villagers and himself, resulting in an abundant financial pipeline.

Many people spend their lives trading hours for dollars and lack fulfillment or a sense of purpose. With dōTERRA®, anyone can choose to create time, energy, and financial freedom through building a lasting residual income pipeline.
